Outline

• WD and Indigenous Economic Growth

• Western Diversification Program and who WD can work with

• WD Funding support for projects
WD and Indigenous Economic Growth

- In January 2017, for the first time, WD issued a targeted call for proposals under the Western Diversification Program.

- Indigenous Economic Growth was identified as a departmental priority and it was one of the targeted areas.
Working with WD

• Under the Western Diversification Program, WD works with not-for-profit organizations.

• Contact WD to discuss your project or idea.

• If you are an entrepreneur, contact any of the Western Canada Business Service Network partners directly for early-stage entrepreneurial and business training.
WD Funding Support for Projects

- WD funding support is project based and can be multi-year.

- WD looks for projects with other sources of confirmed funding, including funding being contributed by the applicant.
